Description

Introducing the 7X50 HD Compass Binocular, a military-grade optical marvel. With a digital compass aiding navigation and day vision complemented by eye shadow focusing, it delivers clear imagery. Waterproof and dustproof, it endures all weather. Nitrogen-filled, it prevents atomization, ensuring clarity in harsh conditions. The built-in distance measuring scale and compass enhance accuracy. The BAK4 prism guarantees sharp images, while the rubber-coated body offers shock resistance. Zoom: 7X/50X, Object diameter: 50mm, Circular diameter: 23mm, Pupil outlet distance: 24mm, Field of view: 396FT/1000YDS. Compact at 20 * 14.7 * 6.7cm/7.9 * 5.8 * 2.6in and lightweight at 960g/2.11Lb, it's the ultimate outdoor companion.
