

## Bushnell 3-9x40 EG Scope

### Description

Introducing the Bushnell 3-9x40 EG Scope, your go-to for precision aiming. With 3x to 9x magnification, it suits close-up and long-range viewing. The 40mm objective lens gathers light effectively, while the Mil-dot reticle ensures precise aiming. Choose red or green illuminated reticles for low-light visibility. Enhanced clarity in dawn and dusk comes from Twilight Light Management. Waterproof, fogproof, and shockproof, it's built tough. Fine-tune accuracy with 1/4 MOA clicks for windage and elevation adjustments. The fast-focus eyepiece aids rapid target acquisition. Multi-coated optics reduce glare while improving light transmission. With a 25mm tube diameter, it's easy to mount. At 550 grams, it's lightweight for easy use. Lens covers included for protection. Ideal for fishing slingshots, crossbows, and long-range targets.

### Product Specification

- Magnification: 3x to 9x for close-up and long-range viewing
- Objective Lens: 40mm for increased light gathering
- Reticle: Mil-dot for precise aiming
- Illuminated Reticle: Red and green options for low-light visibility
- Twilight Light Management: Enhanced clarity in dawn and dusk conditions
- Waterproof, Fogproof, and Shockproof: Durable construction
- Windage & Elevation Adjustments: Fine-tune accuracy with 1/4 MOA clicks
- Fast-Focus Eyepiece: Rapid target acquisition
- Large Exit Pupil: 13mm to 4.4mm for clear sight picture
- Multi-Coated Optics: Improved light transmission and reduced glare
- 25mm Tube Diameter: Standard size for mounting flexibility
- Weight: 550 grams (lightweight for easy use)
- Lens Covers: Included for protection
- Package Includes: 1x Bushnell 3-9x40 EG Scope
- Applications: Fishing slingshots, crossbows, long-range target acquisition
