Product Specification

Description

Introducing the ultimate flashlight: With a Turbo mode emitting 10,000+ lumens and a beam range extending over 500 meters, it ensures unparalleled visibility. From Turbo to Eco mode, enjoy runtime flexibility ranging from 1 hour 25 minutes to an impressive 80 hours. Equipped with two cold-resistant 21700 rechargeable batteries and a USB Type-C fast charger, it's ready whenever you are. Its rugged construction, IP68 rating, and stainless steel strike bezel guarantee durability in extreme conditions. Plus, with lockout mechanisms and compatibility with small arms, it's the perfect companion for any adventure.

With compatibility for small arms and a temperature resistance from -35°C to 45°C, it's the ultimate companion for adventurers and professionals
