

Engage DX 12x50 Binoculars

Product Specification

Description

The Engage DX in the powerful 12X50 configuration are a perfect combination of performance, capability, and affordability with a lifetime warranty. They have an all-metal chassis, fully multicoated optics, and they have our exclusive EXO Barrier. Water is no problem as they're IPX7 waterproof rated to guarantee they'll never fog up. The rich textured rubber armor guarantees you'll always have a firm grip. To top it all off, they're covered by our full lifetime Ironclad Warranty – Buy with confidence. Featuring fully multi-coated (FMC) optics and dielectric-coated roof prisms, Bushnell Engage DX Binoculars draw in an incredible amount of light and deliver vibrant, high-resolution imagery. These premium optics excel in low-light situations, letting you see more clearly in the early morning and late evening and in shady, wooded environments. Bushnell Engage DX Binoculars deliver crisp 12x magnification and a 275-foot field of view for a clear and comprehensive image of your subject and the surrounding area.
